Nature Of Opinion

Docket Number: L-00000YY-15-0318-00171

Docket Position: Against

I am writing to oppose the planned localization of SunZia's transmission lines in the San Pedro Valley. I am a resident of the area, and I am amazed at the uniqueness and beauty of this remote and pristine area. It is one of the only wildlife corridors still intact. I have hiked and seen many of the areas being considered for placement of SunZia's transmission lines. Many are extremely fragile and will not easily recuperate for many hundreds of years after a significant disturbance such as the placement of power lines and the maintenance roads associated with them. I also question the need for the placement of a power line in this location. There are many other utility corridors which are already functioning, but which may initially appear to cost more. The problem is that the true cost of disturbing this very pristine area is not included in these calculations. Many people and government agencies have worked hard to try to protect this area, and I believe this area will prove to be
